

The Anthroposophical Society in Greater Boston invites you to join us for:

“Facing Our Future (even Transhumanism) with Equanimity”

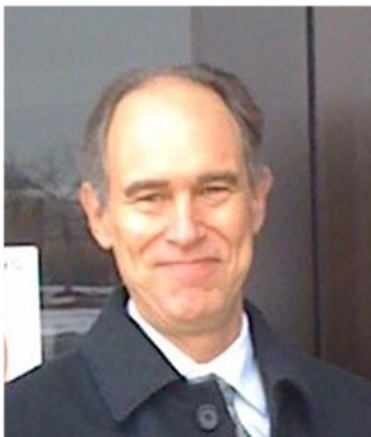

a talk by Andrew Linnell

Andrew will take us on a journey through the future of this Fifth Epoch as seen by Rudolf Steiner. We will explore future events of "iron necessity" and our roles today to prepare humanity for this future through spiritual science.

Friday, April 21

7:30 to 9 PM

**Waldorf School of Lexington Auditorium
739 Massachusetts Avenue, Lexington MA
Natick, MA 01760**

Andrew Linnell is co-founder of MysTech, an Anthroposophical organization seeking to realize Rudolf Steiner's indications on Mechanical Occultism. He served as president of the Boston branch of the Anthroposophical Society and as admin to several Anthroposophical Facebook groups. He is a member of the Natural Science Section. In 2013, he retired from a 42-year career in the computer industry where he had served as CTO or VP for small companies. He is the author of nine books, two for children.
